# thermos grills + appliances

## 1 Thermos Heatwave 500 Barbecue

85-3012

Infrared heat cooks food from the inside out to seal in moisture and flavour. The result is a juicier, tastier cut, comparable to what you would enjoy in a high-end restaurant. 88,000 BTUs. 680 sq. in. cooking surface. 3 stainless steel tube burners.

## 2 Heatwave by Thermos Rotisserie

85-1306

Patented 360° all-around infrared cooking technology to lock in flavour. Easily cooks turkey, chicken, pork, roast beef, grilled vegetables and more to perfection in less time. Built-in rotary igniter. Removable grease drawer makes clean-ups easier. Cook-touch handles. Includes fryer basket with lifter and a meat thermometer. 18,000 BTU burner.

### Restaurant style grilling in your own backyard.

The Heatwave 500 is easy to use and is the key to restaurant quality food any night of the week. With 100% InfraRed heat technology, the Thermos Heatwave 500 gives every backyard chef the ultimate technology to sear in flavour and keep foods moist and juicy. Unlike traditional gas barbecues, the Heatwave 500 ensures that the fire stays in the firebox. Heat is transferred directly to the surface guaranteeing no flare-ups or cold spots, just even cooking every single time.

**Become a backyard hero. Make a simple, mouth-watering meal – every time.**

The Weber Spirit E310 provides an evenly heated cooking surface as well as precision controls to adjust to the perfect heat level for direct or indirect cooking.

**Weber Spirit E310 ▶**

85-3016

36,000 BTUs. 536 sq. in. cooking surface. 3 stainless steel tube burners. Horizontal placement improves heat distribution and overall coverage. Natural gas model also available (85-3017).

# ted reader signature series

## What makes a grill a Napoleon grill?

- Each grill is anchored by a highly impressive heavy-duty stainless-steel cooking system backed by the President's 25-year Limited Warranty
- Distinctive patented features, such as Wave rod cooking grids, self-cleaning sear plates and a ceramic infrared rear burner to ensure everything you cook is perfectly grilled to your preference
- Thoughtful innovations like the Lift Ease rolltop lid, i-Glow backlit control knobs and jet fire ignition system make the Ted Reader Signature Series by Napoleon the perfect addition to your backyard

*World-renowned chef and BBQ expert, Ted Reader, has long been admired for his grilling expertise. Ted has teamed up with Napoleon to develop a truly unique line of gourmet grills exclusively for Canadian Tire!*

### 1 Napoleon TR605 Barbecue

85-3018

63,500 BTUs. 485 sq. in. cooking surface.  
3 stainless steel tube burners.

### ◀ Grilling Planks 85-1935X

Easy-to-use, all natural, untreated ½"-thick planks in two delicious flavours. Try planking salmon on western red cedar, or brie cheese on sugar maple. Western Red Cedar, 6" x 12", Sugar Maple, 6" x 12".

### 2 Napoleon TR486IR Barbecue

85-3020

75,500 BTUs. 675 sq. in. cooking surface. 3 stainless steel tube burners. Ceramic infrared sizzle zone side burner is perfect for searing. Side shelf ice box keeps food and beverages cool.

### ◀ Barbecue & Grilling Sauces 85-1873X

85-1873X

Flavours include Crazy Canuck, Sticky Chicken & Rib, Beerlicious BBQ, Pineapple & Rum and Honey Garlic & Fig grilling sauce.

## We'll put our sizzle against anybody's.

Centro grills are loaded with features that are typically expected from a more expensive grill. Features include:

- Electronic igniters for easy start lighting every time
- U shape burners for ultimate coverage and control and cast iron cooking grates that optimize heat distribution

Centro grills satisfy every need from intimate family dinners to entertaining guests on weekends.

### 1 Centro 4900IR Series Barbecue

85-3014

79,500 total BTUs. 760 sq. in. total cooking surface. 3 stainless steel U-shaped burners for optimal burner coverage and even heat distribution. Infrared sear zone side burner offers excellent searing ability.

### 2 Centro 2900 85-3006

49,700 BTUs. 580 sq. in. cooking surface. 3 stainless steel linear burners.

## Hey, not all side burners are built the same.

Receive the benefits of infrared heat without compromising grill space. The sizzle zone infrared side burner releases high intensity direct heat for perfectly seared chops and steaks while doubling as a standard side burner once the heat is decreased.

▼ **Pen Thermometer** 85-1353

Cook meat perfectly every time. Accurately measure the internal temperature of meat. Features easy to read digital screen. Slim design and cap allow for easy storage and portability.

▲ **Stainless Steel Kebab Rack**

85-1377

Keeps kebabs and spiedini away from cooking grates which allows for easy turning and even cooking. Includes 50 bamboo appetizer skewers. Folds for convenient storage.

▼ **Rosewood Finish Tools**

85-1231/1232

# grill care

## Smart Cover is simple to set up and easy to use

### ▲ Smart Cover 85-1489/1490/1492

Protects your grill from harsh elements including rain and UV rays. When not in use, easily folds into a neat box for convenient storage. Venting allows for air circulation to prevent mildew and condensation from developing.

*The integrated storage compartment eliminates the need to figure out how to position the cover on the barbecue.*

*Simply center the box on the barbecue and open the box.*

*Allow the cover to fall into place perfectly over the barbecue.*

*Attach the hook & loop fasteners to secure the cover in place.*

*When you want to remove the cover, simply reverse the procedure.*

## Safe Barbecue Maintenance

*Introducing bristle-free BBQ brushes that are safe to use without the worry of bristles falling off into the grill or food.*

### ◀ Centro Safety Grill Scrubber

85-1942

Curved handle is easier to use. Includes two refill pads.

### Centro Safety Grill Brush ▶

85-1943

Long handle extends reach. Includes refill pad.

### ◀ Centro Safety Grill Brush/Scrubber Refills 85-1944

Pack of two steel pads. Use on chrome, stainless steel and cast-iron grates. Unique fastening system makes pads easy to replace.
